

Amendment to FY13 and FY14 CDBG Action Plans

CDBG Funds Distribution

Currently, the Department of Economic Development retains the ability to transfer up to 10% of the total CDBG allocation for use as needed among categories. An adjustment of more than 10% of the total allocation, or the creation/elimination of a category, will require a substantial amendment of this plan.

The Department is amending the 2013 and 2014 CDBG Action Plans to allow a transfer of up to 25% of the total annual CDBG allocation for use as needed among categories. An adjustment of more than 25% of the total annual allocation or the creation/elimination of a category will require a substantial amendment of this plan.

Public Participation

This amendment will be made available on July 15, 2014 for a **fifteen day comment period ending at 5 pm on Tuesday, July 29, 2014**. Written comments may be submitted via email to andy.papen@ded.mo.gov or by mail to:
